23 FREESCALE SEMICONDUCTOR, INC.

24 Defendant.

Civil Action No. 4:11-cv-05341 (YGR)
(JSC)
ORDER GRANTING
MEDIATEK AND FREESCALE'S
STIPULATED REQUEST TO AMEND
THE SCHEDULE FOR EXCHANGING
PROPOSED MOTIONS IN *LIMINE*

Hon. Yvonne Gonzalez Rogers

1 Pursuant to Civil Local Rules 6-1, 6-2, and 7-12, Plaintiff MediaTek Inc. (“MediaTek”) 2 and Defendant Freescale Semiconductor, Inc. (“Freescale”) respectfully request that the Court 3 extend the deadline for the parties to exchange proposed motions in *limine* by one week—from 4 midnight, January 3, 2014, until midnight, January 10, 2014. MediaTek and Freescale also 5 request that the court permit the parties to exchange summaries of the proposed motions in 6 *limine*. The parties agree that the format of the exchange shall consist of a one-page summary 7 for each proposed motion in *limine* that shall include: (1) a description of the evidence sought to 8 be precluded; (2) the general propositions and the bases for excluding such evidence; and (3) an 9 identification of the case law and/or rules that support the moving party’s position, without 10 waiver of reliance on further case law that supports such position. MediaTek and Freescale 11 stipulate to this request.

12 Good cause exists for the requested extension. Preparation of motions in *limine* requires 13 significant time. The current deadline, January 3, 2014, is two days after New Year’s Day. The 14 parties’ counsels’ offices were closed in connection with the holiday, and a number of attorneys 15 and staff working on this matter were unavailable to assist due to prior holiday travel. In 16 addition, the exchange of summaries of proposed motions in *limine* (rather than fully drafted 17 motions) may save significant party resources, since the parties may agree, through the meet and 18 confer process after the exchange of summaries, to resolve and forgo one or more of the 19 proposed motions without the need to prepare and file a full motion with the Court.

20 The proposed extension of the deadline by one week to January 10, 2014, would not 21 affect any other deadlines in the case. The parties agree to file their final motions in *limine* by 22 the Court’s deadline, January 24, 2014.

23 MediaTek represents that it will file an accompanying sworn declaration in support of 24 this stipulated request.

25 The parties agree that good cause exists for the requested one-week extension.

26 The parties conferred regarding this request on January 2, 2014.

Pursuant to Civil Local Rule 6-2, MediaTek and Freescale request that this Court order, by signing below, to extend the deadline to exchange motions in *limine* to midnight on January 10, 2014, and permit the parties to initially exchange one-page summaries. Freescale and MediaTek stipulate to this request.

IT IS SO STIPULATED.

Dated: January 3, 2014

Respectfully submitted,

MEDIATEK INC.
